

The Paisley Advocate

The Paisley & District Chamber of Commerce produces a local newspaper The Paisley Advocate on a monthly basis. It is distributed to over 1800 homes and businesses in and around Paisley. With an additional 200 copies distributed to local venues such as restaurants and shops. The Advocate is delivered on the first Thursday of each month for free. We have over 300 paid subscriptions as well.

The Paisley Advocate consists of local stories written by volunteers about the history of our community, current events and the goings on of our community members. The 20 page, black and white paper is a volunteer run paper. Advertising sales pay for the printing, advertising design, sales and distribution.
